House of Representatives

Dear Steve:

Enclosed is a copy of the Administration approved version of the FY 1990-1991 Intelligence Authorization Bill. The bill includes a new proposal that would extend to Agency employees in the CSRS or FERS, who are killed or disabled while performing qualifying service, the same disability and death in service benefits now received by Agency employees in CIARDS or FERS-Special. The Administration cleared this new proposal yesterday afternoon.

The Bill will be formally transmitted by the DCI to the President of the Senate and Speaker of the House within the next few days. If I can be of further assistance, please give me a call.

Sincerely,

Office of Congressional Affairs
